Creativity College and Club Cardinal

Catalysts for what became a 2015-16 School of Innovation plan

These 2013-14 programs promoted:

- creative thinking
- communication skills
- differentiated learning
If all things were possible, what could we do to better prepare our students for tomorrow’s world?
TUNNEL VISION

Isolated, rural area
Helping children feel PART of the world and not APART or removed from the world…

We are eager to move in a new direction and take our students in a path that prepares them to be...
Creativity Quote: "I was told I would become nothing. Now I am showing people how big nothing is." (Willard Wigan)

Creativity believes each and every person is capable of greatness -- it may be hard to see, but it is there... it is there.
