

ASBA Educational Foundation J.K. Williams Memorial Scholarship Award Program

The Arkansas School Boards Association (ASBA) Educational Foundation established the J.K. Williams Memorial Scholarship in honor of former Executive Director J.K. Williams. Mr. Williams led ASBA from 1978 until his retirement in 1992 after completing 42 years in education. During his career, Mr. Williams served as teacher, coach, central office administrator and superintendent. Upon his death in 2012, it was decided to honor his memory and rename the at-large scholarship previously awarded to an incoming freshman.

The scholarship is designed to benefit the sons/daughters of ASBA-affiliated Arkansas school board members who are pursuing an advanced degree in the field of education at an Arkansas institution of higher education.

One scholarship will be awarded annually. A committee appointed by the ASBA board of directors will review scholarship applications and determine the recipient. The award will be made before the fall school term.

Criteria for Consideration

- The recipient must be the son/daughter of a publicly elected Arkansas school board member. School board member-parent must be serving on his/her local board on September 1 of the school year in which the scholarship is awarded.
- Grants will be one-time scholarships to a student pursuing an advanced degree in the field of education at an Arkansas institution of higher education.
- Scholarship amount will be at least \$600 each.
- Scholarships will be awarded based upon academic performance, demonstrated leadership, and community service engagement. Financial need may be a consideration.
